

PREPARING PUBLIC SECTOR EMPLOYEES
FOR A COMFORTABLE RETIREMENT CAN BE

HARD

OR IT CAN BE

EASY

Managing a public sector retirement plan is no easy task. With the changes in the retirement landscape—trends moving away from pension plans and toward Defined Contribution plans—it's hard to feel confident that you're making the best choices for your employees. Prudential Retirement[®] provides solutions that can help you save money, improve cash flow and attract top-level talent while providing better outcomes and financial security for your employees.

SOME OF THE WAYS WE HELP

HIGH-QUALITY INVESTMENTS

Stable Value products from the provider ranked #1 in assets as well as flexibility to invest in virtually any mutual fund traded by the National Securities Clearing Corporation (NSCC).¹

BETTER PARTICIPANT ENGAGEMENT

Proven methods that help participants overcome the behavioral challenges that keep them from fully engaging in their plan and achieving financial wellness.

CHOICE OF ASSET ALLOCATION PROGRAMS

A full range of asset allocation solutions help employees grow their assets—from easy-to-invest-in target-date funds to asset oversight from an investment professional. We also provide an income solution to both protect retirement income from downside market risk and guarantee income for life.

SMARTER RECORDKEEPING AND COMPLIANCE

Solutions that simplify your recordkeeping, administration and regulatory compliance.

SEAMLESS PLAN TRANSITION

Every aspect of our time-tested conversion process is structured to ensure an easy experience—from the team, to weekly status calls, to plan design discussions and more.
